Higgins Office 03 341 4370

Please advise us if you have specific property access requirements e.g. medical visits, home help, large vehicle deliveries, planned works.

- In the event of inclement weather, works will be rescheduled on the next fine weather day.
- Access to residents driveways will be maintained where practical. Any work planned across a residents driveway will be brief and access will be re-instated as soon as possible. Pedestrian access will be maintained but may change on a day by day basis, depending on works.
- On street parking will be **unavailable** within the construction area.
- There will be a Road Closure, and Traffic Management will be operating on Site.
- A Truck Sweeper will be on site following re-surfacing to remove loose chip on Chipseal section of Street.
- If walking though construction site please ensure that your footwear is clear from any materials or debris before entering your property to avoid damages to flooring etc.
- There will be periods of construction noise and vibration, the contractor will ensure noise is kept to a minimum.
- Pet owners are advised to keep animals inside private property during construction.

MAP OVER PAGE

Thanks for your patience as we work in your area

Noise

There may be increased noise, dust and vibrations during work but it shouldn't impact on your power, water, gas or phone services

Safety

Safety is our biggest priority so please keep children and pets away from worksites.

Bins

Please put your bins out as usual before 6am on your collection day. Our crew will move and return them if needed.
