

# update

## Finishing line in sight for Riccarton Road works

The bulk of the work on Riccarton road will be finished by Easter, eight months earlier than expected.

Line marking and landscaping including tree planting, will still need to be completed after Easter, but the most disruptive elements of the project – the replacement of the old underground pipes and the reconstruction of the road – will be done.

### **Safer speeds proposal update**

Thanks for your submissions on the safer speed areas proposed for Riccarton.

We are currently analysing the feedback and we will be presenting the information to the Halswell-Hornby-Riccarton Community Board in March before it goes to Council for a final decision.

**Keep up to date**

### **Keep in touch**

Get in touch with the Council via [riccartonroad@ccc.govt.nz](mailto:riccartonroad@ccc.govt.nz) or 941 8999 if you have any queries.

Or contact Fulton Hogan on 0800 ROAD FH (0800 762 334) for construction queries at any time.
